"Your Local Guidance Counsellors"

The FAA is currently experiencing a WAAS service outage. The outage affects all WAAS-compatible GPS receivers. The FAA has reported this issue and is working to restore service.

Trimble agriculture receivers may continue to operate at a degraded accuracy by changing the correction source to "Autonomous" until the WAAS service is restored.

Contact GPS Ontario to have us assist you in making these necessary adjustments to your Precision Agriculture Receiver

Call us Toll Free 1 877 RTK WEGO

1 877 785 9346

Your can reach Morley at Ext 402 or Jordan at Ext 401

We apologize for the inconvenience and will announce when service is restored.
