GPS Ontario Product Announcement

Trimble FmX Anti-Glare Screen Protectors

You spoke and we listened!

GPS Ontario has received many comments this year on the Glare and Visibility of the FmX Display in Direct Sun light or extremely Bright Conditions.

We have taken the time to source a solution for this Problem on behalf of you our Customers.

Features of these Screen Protectors

- Abrasion and chemical resistant for ultimate **screen longevity**
- **Filters out** 99% of UVB light from your screen or reflecting to your eyes
- **Super-thin** writing surface gives pleasant feel and excellent character recognition
- **Prevents damage** from repetitive writing, scratching or tapping
- **Installs** in seconds
- **Easy** to remove, clean and re-install for continued use
- **Protects** your screen and avoids the expense of screen replacement (average cost: \$200-\$600)
- **Used in the harshest environments** to protect devices in commercial, industrial, military and government settings
